Our teachers have motivated our students to master the skills in all academic areas while enhancing their morality through social and emotional development. We have strived to promote an environment that is conducive to learning. We have aimed to meet the needs of everyone. The success of our students academically is cultivated on the foundation of teacher preparation and parental involvement. We are proud to showcase what each student has to offer and what they have developed over the year.

Some of the school highlights include students being recognized as grade level winners at the district science fair and competing at the regional science fair. We have students attending the Orangeburg-Calhoun Consortium for the Arts Summer Program. We had a student recognized for her writing and character initiative in the county.

As we continue to strive for academic excellence at HHE, the administrators and faculty will continue to grow through professional development to meet the needs of the students. We will be able to facilitate learning as we continue to enhance our knowledge of current trends and district initiatives such as literacy development through information text and vocabulary usage. We will continue to focus on developing our understanding of the standards to improve instruction. The Teacher Advancement Program (TAP) will be used as a continuum to provide good sound reflective teaching aimed at improving student performance.

HHE is committed to making a difference in the lives of the students it serves. The support of the parents and the community has helped the school provide a quality instructional program through a rigorous investigative curriculum. We are proud to increase the technology capabilities of the school thus giving our students the necessary tools to prepare them to become positive future leaders.
